## Printing from MacBook (How to connect to Nørre G's print cloud)

Start by opening "Systemindstillinger"
(System Preferences)

Click "Printers & Scanners"

Click the "+" to add a new printer

Type **nrgy** in the search box

Select the printer **nrgy_sky**

Click "*Tilføj*" (Add) to install the printer.

The first time you print, you will be asked
for your Username and Password
(Navn/Adgangskode).
Use your "school-login" as your Username
(Navn) (UNI-login + @edu.norreg.dk)
and the password you have made for
the school's WiFi/Lectio
*Remember to save your password in your
Keychain (nøglering)* 😊

To get your print, find a printer and log in using the same username & password.
