

NØRRE G 1G OUTDOOR TRIP

SEPTEMBER 2019

As a part of their intro course all 1g classes must participate in a two-day outdoor project. The trip goes to Næsbycenteret (Mid Zealand) where dedicated teachers will initiate games and different challenges for everyone involved.

The trip involves sleeping in an outdoor shelter. You must therefore bring a good sleeping bag as well as a sleeping matt. Food is included, excepting lunch on the first day. So don't forget to bring that.

Transportation to and from Næsbycenteret will be by bus from Nørre Gymnasium. Meeting time is 8 a.m. on departure day. You will be back at Nørre the following day shortly after noon.

Please note the list of personal equipment. Make sure to check quickly for items that require an effort to get hold of. Remember in particular eating equipment: bowl, knife, fork, spoon and cup.
